VISION & CORE VALUES

TRICAN

VISION

"We will be an innovative energy service company that, through living our values, will be the number one choice of employees, customers and shareholders."

CORE VALUES

We won't put anyone in harm's way.

We want our people to flourish and be proud of the company they will build.

We are legal, honest and ethical.

We will minimize our impact on the environment.

We learn from our mistakes and are accountable for our actions.

We value teamwork.

We are innovative, creative and efficient.

We are flexible and adapt quickly to change.

We will out-service our competition.

We will drive long-term value for our shareholders.
