Canyon will ensure that all material filed with the Court in connection with the Arrangement is consistent in all material respects with the terms of this Agreement and the Plan of Arrangement. In addition, Canyon will not object to legal counsel to Trican making submissions on the application for the Interim Order and the application for the Final Order as such counsel considers appropriate, acting reasonably, provided such submissions are discussed in advance of the application with counsel for Canyon and are consistent with this Agreement and the Plan of Arrangement. 2.11 Canyon Employee Obligations

- (a) The Parties acknowledge and agree that the Arrangement will result in a "change of control" for the purposes of the Canyon Employment Agreements. Trican acknowledges and agrees that the Canyon Employee Obligations pursuant to the Canyon Employment Agreements shall become payable on or following the Effective Date (notwithstanding whether the employment of a Canyon Employee party to any such Canyon Employment Agreement will be terminated effective as at the Effective Date). Trican further agrees to cause Canyon to allocate and pay such amounts in accordance with the terms of the relevant agreements, as set forth in the Canyon Disclosure Letter, on the Effective Date, in each case conditional upon the execution by the applicable Canyon Employee of a mutual release in favour of Trican and Canyon in the form and substance satisfactory to Trican and Canyon, each acting reasonably; provided that the Parties acknowledge and agree that the aggregate change of control and severance payments under the Canyon Employment Agreements shall not exceed \$7.0 million. Notwithstanding the foregoing, in no event shall a Canyon Employee be entitled to receive both a severance payment and a change of control payment pursuant to this Section 2.11 or his or her Canyon Employment Agreement.
- (b) The Canyon Disclosure Letter sets forth details of the Canyon Employee Obligations pursuant to the Canyon Employment Agreements, including: (i) the name of each individual entitled to a payment; (ii) the name and date of the agreement under which the payment arises; (iii) the total amount of each individual's payment, including any earned but unpaid bonuses pursuant to applicable Canyon Employee Plan; and (iv) the method of calculating such payment or estimated payment.

- (a) The Parties acknowledge and agree that the Arrangement will result in a "change of control" for purposes of the Canyon Incentive Plans. The board of directors of Canyon shall, notwithstanding any provision of any of the Canyon Incentive Plans to the contrary, approve the vesting of all outstanding Canyon Incentive Awards effective immediately prior to the Effective Time and conditional upon the subsequent consummation of the Arrangement, and such other matters as may be necessary in order that all such outstanding Canyon Incentive Awards will be fully vested and, where applicable, exercisable immediately prior to the Effective Time.

- (e) Subject to Section 2.12(f), Canyon shall be exclusively responsible for any withholding obligations of Taxes from any amounts paid for the Canyon Employee Obligations and in connection with the exercise or settlement of any Canyon Incentive Awards (whether pursuant to the Plan of Arrangement or otherwise), and Canyon shall deliver the consideration for the foregoing net of such amounts to Canyon Employees and holders of Canyon Incentive Awards, as applicable. Any such amounts deducted, withheld and remitted by Canyon will be treated for all purposes under this Agreement as having been paid to the Canyon Employees and holders of Canyon Incentive Awards, as applicable, in respect of which such deduction, withholding and remittance was made; provided that such deducted and withheld amounts are actually remitted to the appropriate Governmental Entity.
- (f) The Parties agree that satisfaction of the income tax remittance obligation with respect to the exercise or surrender of Canyon Incentive Awards may also be accomplished by way of the withholding by Canyon or Trican from the Trican Shares received under the Arrangement of such number of Trican Shares as may be determined by Trican, in its sole discretion, to be necessary to satisfy the income tax remittance obligation of such Canyon Incentive Awards. Canyon and/or Trican may sell any such withheld Trican Shares, as trustee for any holders of Canyon Incentive Awards to satisfy the remittance obligation and, in connection with such exercise or surrender, the holder of the Canyon Incentive Awards shall consent to the sale and grant to Canyon and/or Trican, as trustee for the holder of the Canyon Incentive Awards, an irrevocable power of attorney to effect the sale of such Trican Shares. Any Trican Shares withheld shall be sold through the facilities of the Exchange and the funds used to satisfy the remittance obligation.

2.13 Board of Directors of Trican

The Parties agree that the board of directors of Trican will take commercially reasonable steps to appoint Brad Fedora, the current President and Chief Executive Officer of Canyon, to the board of directors of Trican immediately following completion of the Arrangement to serve until the next annual meeting of Trican Shareholders or until his successor is duly appointed.

2.14 Shareholder Communications

Each Party shall use all commercially reasonable efforts to enable the other Party to review and comment on all such presentations and press releases prior to the use or release thereof, as the case may be, and shall enable the other Party to review and comment on such filings prior to the filing thereof; provided, however, that the foregoing shall be subject to each Party's overriding obligation to make disclosure in accordance with applicable Laws, and if such disclosure is required and the other Party has not reviewed or commented on the disclosure, the Party making such disclosure shall use commercially reasonable efforts to give prior oral or written notice to the other Party, and if such prior notice is not possible, to give such notice immediately following the making of such disclosure or filing. The Parties agree to issue jointly a press release with respect to this Agreement as soon as practicable after its due execution.

2.15 U.S. Securities Laws

The Arrangement shall be structured and executed such that, assuming the Court considers the fairness of the terms and conditions of the Arrangement and grants the Final Order, the issuance of the Trican Shares issuable to Canyon Securityholders under the Arrangement will not require registration under the U.S. Securities Act, in reliance upon Section 3(a)(10) thereof. Each Party agrees to act in good faith, consistent with the intent of the Parties and the intended treatment of the Arrangement as set forth in this Section 2.15.

From the date hereof until the earlier of the Effective Date and the termination of this Agreement, Canyon shall, and shall cause its Subsidiaries and Representatives to, subject to all applicable Laws and in accordance with the Confidentiality Agreement and any other subsequent written agreement that addresses confidentiality between the Parties, use its commercially reasonable efforts to afford to Trican and the Representatives of Trican access at all reasonable times to their officers, employees, agents, properties, books, records and contracts, and shall furnish Trican with all data and information as Trican may reasonably request, subject to the conditions contained in the Confidentiality Agreement and any other subsequent written agreement that addresses confidentiality between the Parties, as well as in accordance with the Competition Act, for the sole purpose of permitting Trican to be in a position to expeditiously and efficiently integrate the businesses and operations of Trican and Canyon immediately upon but not prior to the Effective Date.

5.5 Pre-Arrangement Reorganization

- (a) Subject to Section 5.5(b), Canyon agrees that, upon request of Trican, Canyon shall use its commercially reasonable efforts to (i) perform such reorganizations of its corporate structure, capital structure, business, operations and assets or such other transactions as Trican may request, acting reasonably (each a "**Pre-Arrangement Reorganization**"), (ii) cooperate with Trican and its advisors to determine the nature of the Pre-Arrangement Reorganizations that might be undertaken and the manner in which they would most effectively be undertaken, and (iii) cooperate with Trican and its advisors to seek to obtain consents or waivers which might be required from Canyon's lenders under its existing credit facilities in connection with the Pre-Arrangement Reorganizations, if any, provided that any costs, fees or expenses associated therewith shall be at Trican's sole expense.
- (b) Canyon will not be obligated to participate in any Pre-Arrangement Reorganization under Section 5.5(a) unless Canyon determines in good faith that such Pre-Arrangement Reorganization:
 - (i) does not change the Exchange Ratio such as to reduce the consideration to be received by the Canyon Shareholders under the Arrangement;
 - (ii) would not impair, impede, delay or prevent the satisfaction of any conditions set forth in Article 6 or the ability of Canyon or Trican to consummate, and would not materially delay the consummation of, the Arrangement;
 - (iii) would not impose any incremental Tax on Canyon Shareholders;

- (iv) does not require Canyon to obtain the approval of any Canyon Securityholders or, after the mailing of Canyon Circular, to require any amendment thereto;

- (vii) is effected as close as reasonably practicable prior to the Effective Time.

If the Arrangement is not completed, Trican shall (A) forthwith reimburse Canyon for all out of pocket costs and expenses incurred by Canyon or its Representatives in connection with considering or implementing a Pre-Arrangement Reorganization, and (B) indemnify and save harmless Canyon, its Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses, interest awards, judgments and penalties separate or incurred by any of them in connection with any actions or omissions by any of them in connection with or arising directly or indirectly out of any Pre-Arrangement Reorganization (which indemnity shall include any costs and expenses incurred by Canyon in order to restore the organizational structure of Canyon to a substantially similar structure of Canyon as of the date hereof).

- (c) Trican must provide written notice to Canyon of any proposed Pre-Arrangement Reorganization at least ten business days prior to the Effective Date. Upon receipt of such notice, subject to Section 5.5(b), Canyon and Trican shall work cooperatively and use their commercially reasonable efforts to prepare, prior to the Effective Time, all documentation necessary and do such other acts and things as are necessary to give effect to such Pre-Arrangement Reorganization, including any amendment to this Agreement or the Plan of Arrangement (provided that such amendments do not require Canyon to obtain approval of Canyon Securityholders).
- (d) Trican waives any breach of a representation, warranty or covenant by Canyon, where such breach is a result of an action taken by Canyon or its Subsidiaries in good faith pursuant to a request by Trican in accordance with this Section 5.5.

The obligation of Trican to consummate the transactions contemplated hereby, and in particular the Arrangement, is subject to the satisfaction, on or before the Effective Date or such other time specified, of the following conditions:

- (a) (i) the representations and warranties in paragraph (k) of Schedule D shall be true and correct in all respects as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak of an earlier date, the accuracy of which shall be determined as of such earlier date), except for such failures to be true and correct that are *de minimis*, (ii) the representations and warranties in paragraphs (a), (b), (c), (d) and (nn) of Schedule D shall be true and correct in all material respects as of the date of this Agreement and as of the Effective Date as if made on and as of such date, and (iii) all other representations and warranties made by Canyon in this Agreement shall be true and correct as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak as of an earlier date, the accuracy of

which shall be determined as of such earlier date), except where the failure of such representations and warranties to be true and correct, individually or in the aggregate, would not result or would not reasonably be expected to result in a Material Adverse Change in respect of Canyon (and for this purpose, any reference to "material", "Material Adverse Effect" or "Material Adverse Change" in such representations and warranties shall be ignored), and Canyon shall have provided to Trican a certificate of two executive officers of Canyon (on behalf of Canyon and without personal liability) certifying the foregoing on the Effective Date;

- (b) Canyon shall have complied in all material respects with its covenants herein to be complied with by it on or prior to the Effective Time; and Canyon shall have provided to Trican a certificate of two executive officers of Canyon (on behalf of Canyon and without personal liability) certifying compliance with such covenants on the Effective Date;
- (c) no Material Adverse Change in respect of Canyon shall have occurred after the date hereof and prior to the Effective Date; and
- (d) holders of less than 5% of the outstanding Canyon Shares shall have validly exercised Dissent Rights in respect of the Arrangement that have not been withdrawn as of the Effective Date.

The conditions in this Section 6.2 are for the exclusive benefit of Trican and may be asserted by Trican regardless of the circumstances or may be waived in writing by Trican in its sole discretion, in whole or in part, at any time and from time to time without prejudice to any other rights which Trican may have.

6.3 Canyon Conditions

The obligation of Canyon to consummate the transactions contemplated hereby, and in particular the Arrangement, is subject to the satisfaction, on or before the Effective Date or such other time specified, of the following conditions:

- (a) (i) the representations and warranties in paragraph (k) of Schedule C shall be true and correct in all respects as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak of an earlier date, the accuracy of which shall be determined as of such earlier date), except for such failures to be true and correct that are *de minimis*, (ii) the representations and warranties in paragraphs (a), (b), (c) and (d) of Schedule C shall be true and correct in all material respects as of the date of this Agreement and as of the Effective Date as if made on and as of such date, and (iii) all other representations and warranties made by Trican in this Agreement shall be true and correct as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak as of an earlier date, the accuracy of which shall be determined as of such earlier date), except where the failure of such representations and warranties to be true and correct, individually or in the aggregate, would not result or would not reasonably be expected to result in a Material Adverse Change in respect of Trican (and for this purpose, any reference to "material", "Material Adverse Effect" or "Material Adverse Change" in such representations and warranties shall be ignored), and Trican shall have provided to Trican a certificate of two executive officers of Trican (on behalf of Trican and without personal liability) certifying the foregoing on the Effective Date;
- (b) Trican shall have complied in all material respects with its covenants herein to be complied with by it on or prior to the Effective Time; and Trican shall have provided to Canyon a certificate of two executive officers of Trican (on behalf of Trican and without personal liability) certifying compliance with such covenants on the Effective Date; and
- (c) no Material Adverse Change in respect of Trican shall have occurred after the date hereof and prior to the Effective Date.

The conditions in this Section 6.3 are for the exclusive benefit of Canyon and may be asserted by Canyon regardless of the circumstances or may be waived by Canyon in its sole discretion, in whole or in part, at any time and from time to time without prejudice to any other rights which Canyon may have.

6.4 Notice and Cure Provisions

Each Party shall give prompt written notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, or would reasonably be expected to:

- (a) cause any of the representations or warranties of either Party contained herein to be untrue or inaccurate in any material respect; or
- (b) result in the failure to comply with or satisfy any covenant or condition to be complied with or satisfied by either Party,

in each case to the extent that the conditions in Section 6.2(a) and Section 6.2(b), in the case of Canyon's representations, warranties and covenants, and Section 6.3(a) and Section 6.3(b), in the case of Trican's representations, warranties and covenants, would not be capable of being satisfied at any time from the date hereof until the Effective Date.

Neither Canyon nor Trican may elect to terminate this Agreement pursuant to Section 8.1(e) unless promptly, and in any event prior to the issuance of the Certificate by the Registrar, the Party intending to rely thereon has delivered a written notice to the other Party specifying in reasonable detail all breaches of covenants, inaccuracies of representations and warranties or other matters which the Party delivering such notice is asserting as the basis for the non-fulfillment of the applicable condition or the availability of a termination right, as the case may be. If any such notice is delivered, provided that the receiving Party is proceeding diligently to cure any such matter capable of cure prior to the Outside Date to the satisfaction of the Party delivering such notice, acting reasonably, no Party may terminate this Agreement until the earlier of (i) the expiration of a period of ten business days from the date of receipt of such notice, and (ii) the Outside Date, if such matter has not been cured by such date. More than one notice may be delivered by a Party. If such notice has been delivered within ten business days prior to the date of the Trican Meeting or the Canyon Meeting, Trican or Canyon, as the case may be, may elect to postpone the meeting of its shareholders until the expiry of such period.

6.5 Merger of Conditions

Subject to applicable Law, the conditions set out in Sections 6.1, 6.2 and 6.3 shall be conclusively deemed to have been satisfied, waived or released upon the issuance of a Certificate in respect of the Arrangement.

ARTICLE 7 ADDITIONAL AGREEMENTS

7.1 Mutual Covenant Regarding Non-Solicitation

- (a) Each Party shall immediately cease and cause to be terminated all existing solicitation, encouragement, discussion or negotiation (including through any Representatives on its behalf), if any, with any parties conducted before the date of this Agreement with respect to any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to an Acquisition Proposal in respect of such Party, and, in connection therewith, such Party shall discontinue access to any of its confidential information, properties, facilities, books and records; such Party shall also promptly, but in any event within five business days, request the return or destruction of all material including or incorporating such information respecting such Party provided to any third parties who have entered into a confidentiality agreement with such Party relating to an

Acquisition Proposal in respect of such Party and shall use commercially reasonable efforts to ensure that such requests are honoured in accordance with the terms of the applicable confidentiality agreements with such parties. Each Party undertakes to enforce all standstill, non-disclosure, non-disturbance, non-solicitation and similar agreements or covenants that such Party has entered into prior to the date of this Agreement and that such Party enters into after the date of this Agreement.

- (b) Neither Party shall, directly or indirectly, do or authorize or permit any of its Representatives to do, any of the following:
- (i) solicit, initiate or knowingly encourage or facilitate (including by way of furnishing information or entering into any form of agreement, arrangement or understanding) any Acquisition Proposal in respect of such Party or any inquiries, proposals or offers relating to any Acquisition Proposal or that could reasonably be expected to lead to an Acquisition Proposal in respect of such Party;
 - (ii) enter into, engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other Person any information with respect to its businesses, operations, results of operations, properties or financial condition in connection with any proposal that constitutes or could reasonably be expected to lead to an Acquisition Proposal, or otherwise knowingly encourage, facilitate, cooperate with, assist or participate in, any effort or attempt of any other Person to do or seek to do any of the foregoing;
 - (iii) waive, terminate, amend, modify or release any third party or otherwise forbear in the enforcement of, or enter into or participate in any discussions, negotiations or agreements to waive, terminate, amend, modify or release any third party from or otherwise forbear in respect of, any rights or other benefits under confidential information and/or standstill agreements (which, for greater certainty, does not prohibit the automatic release of a party in accordance with the pre-existing terms of any standstill provision);
 - (iv) accept, approve, endorse or recommend, or publicly propose to accept, approve, endorse or recommend, or take no position or remain neutral with respect to, any Acquisition Proposal or any inquiry, proposal or offer that could reasonably be expected to lead to an Acquisition Proposal that is publicly announced, it being understood that publicly taking no position or a neutral position with respect to any Acquisition Proposal prior to the earlier of three business days following the public announcement or disclosure of the Acquisition Proposal or 72 hours prior to the applicable shareholders' meeting will not be considered to be in violation of this Section 7.1, provided that the board of directors of the Party that is subject to the Acquisition Proposal has rejected such Acquisition Proposal and affirmed such Party's recommendation in Section 2.2(a) or Section 2.3(a), as applicable, before the end of such three business day period or 72 hours, as applicable; or
 - (v) accept or enter into, or publicly propose to accept or enter into, any letter of intent, agreement in principle, agreement, arrangement or undertaking related to any Acquisition Proposal (other than a confidentiality and standstill agreement contemplated under Section 7.1(b)(vi));

provided, however, that notwithstanding any other provision hereof, each Party and its Representatives may (A) comply with Part 2 – Division 3 of NI 62-104 relating to the provision of directors' circulars and making appropriate disclosure with respect thereto to its securityholders, and (B) prior to the approval of the Arrangement Resolution at the Canyon Meeting, in the case of Canyon, or prior to the approval of the Trican Share Issuance Resolution at the Trican Meeting, in the case of Trican:

- (vi) enter into or participate in any discussions or negotiations with a third party that is not in material breach of any confidentiality or standstill agreement to which such Party is a party and who seeks to initiate such discussions or negotiations and, subject to execution of a confidentiality and standstill agreement in favour of such Party that contains a standstill provision that such Party determines in good faith is no less onerous or more beneficial to such third party than that in the Confidentiality Agreement and is otherwise on terms that such Party determines in good faith are no less favourable to such Party than those found in the Confidentiality Agreement (provided that such confidentiality and standstill agreement shall (A) allow for disclosure thereof, along with all information provided thereunder, to the other Party as set out below, (B) allow disclosure of the making and terms of any Acquisition Proposal made by the third party as contemplated herein, and (C) not contain any provision restricting such Party from complying with this Section 7.1) may furnish to such third party any information concerning such Party and its businesses, properties and assets, in each case if, and only to the extent that:
 - (A) the third party has first made a written *bona fide* Acquisition Proposal, which did not result from a breach of this Section 7.1, and in respect of which the board of directors of such Party determines in good faith, after consultation with its outside legal and financial advisors, constitutes or could reasonably be expected to lead to a Superior Proposal; and
 - (B) prior to furnishing such information to or entering into or participating in any such discussions or negotiations with such third party, the Party shall (1) provide prompt notice to the other Party to the effect that it is furnishing information to or entering into or participating in discussions or negotiations with such third party, together, if applicable, with a copy of the confidentiality and standstill agreement referenced above and, if not previously provided to such other Party, copies of all information provided to such third party concurrently with the provision of such information to such third party, (2) notify the other Party orally and in writing of any inquiries, offers or proposals with respect to an actual or contemplated Superior Proposal (which written notice shall include a copy of any such proposal (and any amendments or supplements thereto), the identity of the Person making it, if not previously provided to the other Party and copies of all information provided to the third party), within 24 hours of the receipt thereof, and (3) keep the other Party promptly informed of the material changes in the status and material details of any such inquiry, offer or proposal and answer the other Party's reasonable questions with respect thereto; and
 - (vii) accept, recommend, approve or enter into an agreement to implement a Superior Proposal from a third party, but only if prior to such acceptance, recommendation, approval or implementation, the board of directors of the Party subject to the Superior Proposal concludes in good faith, after considering all proposals to adjust the terms and conditions of this Agreement as contemplated by Section 7.1(c) and after receiving the advice of outside counsel, that the failure by the board of directors to take such action would be inconsistent with its fiduciary duties under applicable Laws, and the Party subject to the Superior Proposal (A) complies with its obligations set forth in Section 7.1, (B) terminates this Agreement in accordance with Section 8.1(f), and (C) concurrently therewith pays the amount required by Section 7.2 to the other Party.
- (c) Following receipt of a Superior Proposal, the Party subject to the Superior Proposal shall give the other Party, orally and in writing, at least five days advance notice of any decision by the

board of directors of the Party subject to such Superior Proposal to accept, recommend, approve or enter into an agreement to implement such Superior Proposal, which notice shall confirm that the board of directors has determined that such Acquisition Proposal constitutes a Superior Proposal, shall identify the third party making the Superior Proposal and shall provide a true and complete copy of the Superior Proposal and the agreement to implement such Superior Proposal, including all financing documents, and any amendments thereto. During such five day period, the Party subject to the Superior Proposal agrees not to accept, recommend, approve or enter into any agreement to implement such Superior Proposal and not to release the party making the Superior Proposal from any standstill provisions and shall not withdraw, redefine, modify or change its recommendation in Section 2.2(a) or Section 2.3(a), as applicable. In addition, during such five day period, the Party subject to such Superior Proposal shall, and shall cause its financial and legal advisors to, negotiate in good faith with the other Party and its financial and legal advisors to make such adjustments in the terms and conditions of this Agreement and the Arrangement as would enable the Party subject to such Superior Proposal to proceed with the Arrangement as amended rather than the Superior Proposal. In the event the other Party proposes to amend this Agreement and the Arrangement on a basis such that the board of directors of the Party subject to the Superior Proposal determines that the proposed transaction is no longer a Superior Proposal and so advises the board of directors of the other Party prior to the expiry of such period, the board of directors of the Party subject to such Acquisition Proposal shall not accept, recommend, approve or enter into any agreement to implement such Acquisition Proposal and shall not release the party making the Acquisition Proposal from any standstill provisions and shall not withdraw, redefine, modify or change its recommendation in respect of the Arrangement and the Parties hereto will enter into an amended version of this Agreement reflecting such amendments. In the event that a Party provides the notice contemplated by this Section 7.1(c) on a date which is less than five days prior to the Trican Meeting or the Canyon Meeting, the other Party shall be entitled to (a) adjourn or postpone its shareholders' meeting, and (b) require the Party subject to the Superior Proposal to adjourn or postpone its shareholders' meeting, in each case to a date that is not more than ten business days after the date of such notice, provided that, in no event shall the date of such adjourned or postponed meeting be later than five business days prior to the Outside Date.

- (d) Each successive amendment to any Acquisition Proposal that results in an increase in, or modification of, the consideration (or value of such consideration) to be received by the shareholders of the Party subject to such Acquisition Proposal or other material terms or condition thereof, shall constitute a new Acquisition Proposal for the purposes of Section 7.1(c), and the other Party shall be afforded a new five day period from the date on which such Party received all of the materials set forth in Section 7.1(c) with respect to the new Superior Proposal from the Party subject thereto.
- (e) The board of directors of each Party shall promptly reaffirm the recommendation and determination in Section 2.2(a) and Section 2.3(a), as applicable, by press release after (i) any Acquisition Proposal which is publicly announced is determined not to be a Superior Proposal, or (ii) the Parties have entered into an amended agreement pursuant to Section 7.1(c) which results in any Acquisition Proposal not being a Superior Proposal. The Parties shall each have an opportunity to review the form and content of such release and make reasonable changes thereto.
- (f) Each Party shall ensure that its Representatives are aware of the provisions of this Section 7.1 applicable to such Party. Each Party shall be responsible for any breach of this Section 7.1 by such Party's Representatives.
- (g) Each Party agrees that all information that may be provided to it by the other Party with respect to any Superior Proposal pursuant to this Section 7.1 be treated as if it were "Confidential Information" as that term is defined in the Confidentiality Agreement and shall not be disclosed or used except in accordance with the provisions of the Confidentiality Agreement or in order to enforce their rights under this Agreement in legal proceedings.

7.2 Agreement as to Damages

If at any time after the execution of this Agreement:

- (a) (i) the board of directors of one Party has withdrawn, modified, qualified or changed any of its recommendations or determinations referred to in Section 2.2(a) or Section 2.3(a), as applicable, in a manner adverse to the other Party or shall have resolved to do so prior to the Effective Date, or has failed to publicly reconfirm its recommendation in Section 2.2(a) or Section 2.3(a), as applicable, upon the request of the other Party prior to the earlier of three business days following such request or 72 hours prior to the applicable shareholders' meeting (unless the Party requesting such reconfirmation is then in material breach of its obligations hereunder and such withdrawal, modification, qualification, change or failure relates to such breach), or (ii) a Party has accepted, approved or entered into an agreement to implement a Superior Proposal;
- (b) (i) an Acquisition Proposal in respect of Trican is publicly announced, proposed, disclosed, offered or made or any Person shall have publicly announced an intention to make an Acquisition Proposal in respect of Trican, (ii) after such Acquisition Proposal shall have been publicly announced, proposed, disclosed, offered or made, this Agreement is terminated (A) by either Party pursuant to Section 8.1(c) *[No Trican Shareholder Approval]* or Section 8.1(d) *[Outside Date]*, or (B) by Canyon pursuant to Section 8.1(e) *[Failure to Satisfy Reps, Warranties, Covenants Conditions]* as a result of the failure to satisfy the condition in Section 6.3(b) *[Compliance by Trican with Covenants]*, and (iii) such Acquisition Proposal, or an amended version thereof, is consummated within nine months of the date this Agreement is terminated;
- (c) (i) an Acquisition Proposal in respect of Canyon is publicly announced, proposed, disclosed, offered or made or any Person shall have publicly announced an intention to make an Acquisition Proposal in respect of Canyon, (ii) after such Acquisition Proposal shall have been publicly announced, proposed, disclosed, offered or made, this Agreement is terminated (A) by either Party pursuant to Section 8.1(b) *[No Canyon Securityholder Approval]* or Section 8.1(d) *[Outside Date]*, or (B) by Trican pursuant to Section 8.1(e) *[Failure to Satisfy Reps, Warranties, Covenants Conditions]* as a result of the failure to satisfy the condition in Section 6.2(b) *[Compliance by Canyon with Covenants]*, and (iii) such Acquisition Proposal, or an amended version thereof, is consummated within nine months of the date this Agreement is terminated; or
- (d) a Party deliberately breaches any of its covenants in Section 7.1 *[Non-Solicitation Covenants]*,

(each of the above being a "**Damages Event**"), then in the event of the termination of this Agreement pursuant to Section 8.1 (other than, in relation to a Damages Event referred to in Section 7.2(a) only, pursuant to Section 8.1(b) *[No Canyon Securityholder Approval]*, Section 8.1(c) *[No Trican Shareholder Approval]*, Section 8.1(d) *[Outside Date]* or Section 8.1(e) *[Failure to Satisfy Reps, Warranties, Covenants and Conditions]* unless in such circumstances this Agreement could otherwise have been terminated at such time under Section 8.1(f)), (i) if Trican is the subject of clause (a) or the breaching Party under clause (d), or the Damages Event in clause (b) occurs, Trican shall pay to Canyon, in the case of clauses (a)(i) or (d), within two business days of the termination of this Agreement, in the case of clause (a)(ii), prior to or concurrently with the termination of this Agreement, and in the case of clause (b), upon the consummation of the Acquisition Proposal referred to therein, a fee in consideration for the disposition of Canyon's rights under this Agreement in the amount of \$22.0 million in immediately available funds to an account designated by Canyon, and (ii) if Canyon is the subject of clause (a) or the breaching Party in clause (d), or the Damages Event in clause (c) occurs, Canyon shall pay to Trican, in the case of clauses (a)(i) or (d), within two business days of the termination of this Agreement, in the case of clause (a)(ii), prior to or concurrently with the termination of this Agreement, and in the case of clause (c), upon the consummation of the Acquisition Proposal referred to therein, a fee in consideration for the disposition of Trican's rights under this Agreement in the amount of \$22.0 million in immediately available funds to an account designated by Trican, and after such event but prior to payment of such amount, the Party required to make such payment shall be deemed to hold such funds in trust for the other Party. Trican shall only be obligated to pay a maximum of \$22.0 million pursuant to this Section 7.2, and Canyon

shall only be obligated to pay a maximum of \$22.0 million pursuant to this Section 7.2. For the purpose of clauses (b) and (c), the term "Acquisition Proposal" shall have the meaning ascribed to such term in Section 1.1, except that references to "20% or more" shall be deemed to be references to "50% or more".

7.3 Fees and Expenses

- (a) Subject to Section 7.3(b), each Party shall pay (i) all fees, costs and expenses incurred by such Party in connection with this Agreement and the Arrangement, and (ii) one-half of the filing fee applicable to the filing made in support of obtaining the Competition Act Approval.
- (b) If this Agreement is terminated by Canyon pursuant to Section 8.1(d) [*Outside Date*] and at the time of such termination the Competition Act Approval has not been made, given or obtained, as applicable, and provided that (i) all the other conditions set forth in Section 6.1 are capable of being satisfied as of the Effective Date, (ii) Canyon is not in breach of any of its representations and warranties or covenants set forth in Sections 4.1, 5.2 and 5.3, as applicable, and (iii) Canyon shall have kept all the legal fee expenses in connection with the Competition Act Approval separate from all the other fees incurred in connection with the Arrangement, Trican shall reimburse Canyon for the legal fee expenses incurred in connection with the Competition Act Approval and the Canyon portion of the fee associated with the Competition Act Approval in Section 7.3(a), up to the maximum amount of \$125,000. Any payment made by Trican pursuant to this Section 7.3(b) shall be made within 15 business days after the date Canyon provides Trican with a copy of the legal fee expenses incurred by Canyon in connection with the Competition Act Approval for which a claim is sought under this Section 7.3(b).
- (c) No fees shall be payable by a Party under 7.3(b) if that Party has paid a fee under Section 7.2.

7.4 Liquidated Damages

Each Party acknowledges that all of the payment amounts set out in this Article 7 are payments of liquidated damages which are a genuine pre-estimate of the damages which Trican or Canyon will suffer or incur as a result of the event giving rise to such damages and resultant termination of this Agreement and are not penalties. Each Party irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. For greater certainty, the Parties agree that the payment of any amounts pursuant to this Article 7 is the sole remedy of Trican and Canyon in the circumstances set forth in Article 7; provided, however, that this limitation shall not (a) apply in respect of Section 7.3(b), in the event of a deliberate breach by Trican of this Agreement, and (b) prior to any termination of this Agreement, preclude a Party from seeking injunctive relief to restrain any breach or threatened breach by the other Party of the covenants or agreements set forth in this Agreement, or otherwise obtain specific performance of any of such acts, covenants or agreements in accordance with Section 9.5.

7.5 Insurance and Indemnification

- (a) Trican agrees that it will maintain in effect, or will cause Canyon or its successors to maintain in effect, without any reduction in scope or coverage for six years from the Effective Time customary policies of directors' and officers' liability insurance providing protection comparable to the most favourable protection provided by the policies maintained by Canyon and its Subsidiaries as are in effect immediately prior to the Effective Time and providing coverage on a "trailing" or "run-off" basis for all present and former directors and officers of Canyon with respect to claims arising from facts or events which occurred prior to the Effective Time. Furthermore, prior to the Effective Time, Canyon may, in the alternative, with the consent of Trican, not to be unreasonably withheld, purchase run-off directors' and officers' liability insurance for a period of up to six years from the Effective Time, and in such event none of Trican, Canyon or any successor of Canyon will have any further obligation under this Section 7.5(a).

- (b) Trican agrees that all rights to indemnification or exculpation now existing in favour of present and former officers and directors of Canyon shall survive completion of the Arrangement and shall continue in full force and effect for a period of not less than six years from the Effective Date.

7.6 Financial Advisors

Trican and Canyon represent and warrant to each other that, except for RBC Dominion Securities Inc., Bank of Nova Scotia and Scotia Capital Inc., each in the case of Trican, and Peters & Co. Limited, in the case of Canyon, no financial advisor, broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission, or to the reimbursement of any of its expenses, in connection with the Arrangement, unless agreed to by Canyon or Trican, as applicable, acting reasonably (with respect to both the identity of the advisor, broker or investment banker, and the amount of the finder's or other fee or commission). Each Party agrees (a) not to amend the terms of any agreements relating to the arrangements between it and its financial advisors as are in existence at the date hereof in respect of the payment of fees and expenses or indemnification without the prior written approval of the other Party; and (b) not to disclose the terms of any such agreements between the other Party and its financial advisors to such Party's financial advisors.

ARTICLE 8 TERM, TERMINATION, AMENDMENT AND WAIVER

8.1 Termination

This Agreement may be terminated at any time prior to the Effective Date:

- (a) by mutual written consent of Trican and Canyon;
- (b) by either Trican or Canyon if the Arrangement Resolution shall have failed to receive the requisite vote of the Canyon Securityholders for approval at the Canyon Meeting (including any adjournment or postponement thereof) in accordance with the Interim Order;
- (c) by either Trican or Canyon if the Trican Share Issuance Resolution shall have failed to receive the requisite vote of the Trican Shareholders for approval at the Trican Meeting (including any adjournment or postponement thereof);
- (d) by either Trican or Canyon if the Effective Time shall not have occurred on or prior to the Outside Date, except that the right to terminate this Agreement under this Section 8.1(d) shall not be available to any Party whose failure to fulfill any of its obligations has been the cause of, or resulted in, the failure of the Effective Time to occur by such date;
- (e) by either Trican or Canyon if any of the conditions set forth in Section 6.1 or Section 6.3, in the case of Canyon, or in Section 6.1 or Section 6.2, in the case of Trican, has not been satisfied or waived by the Outside Date, or such condition is incapable of being satisfied by the earlier of (i) the Outside Date, and (ii) the ten business cure period set forth in Section 6.4; provided that the Party seeking termination is in compliance with its obligations under Section 6.4, if applicable, and not then in breach of this Agreement so as to cause any of the conditions set forth in Section 6.1 or Sections 6.2 or 6.3, as applicable, not to be satisfied;
- (f) by Trican or Canyon following the occurrence of a Damages Event in respect of the other Party as provided in Section 7.2(a) [*Change in Recommendation or to Implement a Superior Proposal*] or in Section 7.2(d) [*Failure to Comply with Non-Solicitation Covenants*]; or
- (g) by either Trican or Canyon to accept, recommend, approve or enter into an agreement to implement a Superior Proposal in accordance with Section 7.1(b)(vii), provided that such Party

(i) has complied with its obligations set forth in Section 7.1, and (ii) concurrently pays the amount required pursuant to Section 7.2.

8.2 Effect of Termination

In the event of the termination of this Agreement in the circumstances set out in Section 8.1, this Agreement shall forthwith become void and neither Party shall have any liability or further obligation to the other Party hereunder, except with respect to the obligations set forth in Sections 7.1, 7.2, 7.3, 7.4 and 9.6, where applicable. Nothing contained in this Section 8.2 shall relieve any Party from liability for any breach of any provision of this Agreement. No termination of this Agreement shall affect the obligations of the Parties pursuant to the Confidentiality Agreement, except to the extent specified therein.

8.3 Amendment

This Agreement and the Plan of Arrangement may at any time and from time to time before or after the holding of the Trican Meeting and the Canyon Meeting but not later than the Effective Time, be amended by mutual written agreement of the Parties, subject to the Interim Order and Final Order and applicable Laws.

8.4 Waiver

Either Party may (a) extend the time for the performance of any of the obligations or other acts of the other Party, (b) waive compliance with any of the other Party's agreements or the fulfillment of any conditions to its own obligations contained herein, and (c) waive inaccuracies in any of the other Party's representations or warranties contained herein or in any document delivered by the other Party; provided, however, that any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party and such waiver shall apply only to the specific matters identified in such instrument.

ARTICLE 4 CERTIFICATES, FRACTIONAL SHARES AND PAYMENTS

4.1 Right to Consideration

- (a) Forthwith following the Effective Time, Trican shall, subject to Section 4.1(b) of this Plan of Arrangement, issue and deliver to the Depositary an irrevocable treasury order authorizing the Depositary, as the registrar and transfer agent of the Trican Shares, to register the aggregate number of Trican Shares to which the Canyon Shareholders are entitled in accordance with Section 3.1 of this Plan of Arrangement.

- (b) Upon surrender to the Depositary for cancellation of a certificate or certificates (as applicable) which, immediately prior to the Effective Time, represented outstanding Canyon Shares that were transferred or deemed to be transferred, as applicable, pursuant to Section 3.1(e), hereof, together with a duly completed and executed Letter of Transmittal and such additional documents and instruments as the Depositary may reasonably require, each Canyon Shareholder represented by such surrendered certificate(s) shall be entitled to receive in exchange therefore, and the Depositary shall deliver to such holder, the consideration which such holder has the right to receive under this Plan of Arrangement for such Canyon Shares less any amounts withheld pursuant to Section 4.4 hereof, and any certificate(s) so surrendered shall forthwith be cancelled.
- (c) From and after the Effective Time, each certificate that immediately prior to the Effective Time represented Canyon Shares shall be deemed to represent only the right to receive the consideration in respect of such Canyon Shares required under this Plan of Arrangement, less any amounts withheld pursuant to Section 4.4 hereof. Any such certificate formerly representing Canyon Shares not duly surrendered on or before the day that is three years less one day from the Effective Date shall cease to represent a claim by or interest of any kind or nature against or in any of Canyon or Trican. On such date, any and all consideration to which such former holder was entitled shall be deemed to have been surrendered to Trican or Canyon, as applicable.
- (d) Any payment made by way of cheque by Canyon, the Depositary or Trican pursuant to this Plan of Arrangement that has not been deposited or has been returned to Canyon, the Depositary or Trican or that otherwise remains unclaimed, in each case, on or before the second anniversary of the Effective Time shall be returned by the Depositary to Trican, and any right or claim to payment hereunder that remains outstanding on the day that is three years less one day from the Effective Date shall cease to represent a right or claim by or interest of any kind or nature and the right of a former holder of Canyon Shares to receive the consideration for such Canyon Shares pursuant to this Plan of Arrangement shall terminate and be deemed to be surrendered and forfeited to Trican or Canyon, as applicable, for no consideration.
- (e) No former holder of Canyon Shares shall be entitled to receive any consideration with respect to such Canyon Shares other than the consideration to which such former holder is entitled to receive in accordance with this Section 4.1 and, for greater certainty, no such holder will be entitled to receive any interest, dividends, premium or other payment in connection therewith.

4.2 **Lost Certificates**

In the event any certificate which immediately prior to the Effective Time represented one or more outstanding Canyon Shares that were transferred pursuant to Section 3.1 of this Plan of Arrangement shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such certificate to be lost, stolen or destroyed, Trican or the Depositary, as applicable, will issue and deliver in exchange for such lost, stolen or destroyed certificate, the consideration to which the holder is entitled pursuant to this Plan of Arrangement. When authorizing such issuance and delivery in exchange for any lost, stolen or destroyed certificate, the Person to whom such consideration is to be issued and delivered shall, as a condition precedent to the delivery of such consideration, give a bond satisfactory to Trican and the Depositary (acting reasonably) in such sum as Trican may direct, or otherwise indemnify Trican in a manner satisfactory to Trican, acting reasonably, against any claim that may be made against Trican with respect to the certificate alleged to have been lost, stolen or destroyed.

4.3 **No Fractional Shares**

No certificates representing fractional Trican Shares shall be issued upon the surrender for exchange of certificates pursuant to Section 4.1. In lieu of any fractional Trican Shares, a Canyon Shareholder otherwise entitled to a fractional interest in a Trican Share, shall receive the nearest whole number of Trican Shares as applicable, with fractions equal to 0.5 or more being rounded up.

4.4 **Withholding Rights**

Canyon, Trican and the Depositary shall be entitled to deduct and withhold from any consideration otherwise payable (i) to any Canyon Shareholder under this Plan of Arrangement (including, without limitation, any amounts payable pursuant to Section 5.1 hereof), or (ii) any holder of Canyon Incentive Awards such amounts as Canyon, Trican or the Depositary determines, acting reasonably, are required or reasonably believes to be required to be deducted and withheld from such consideration in accordance with the Tax Act, the *United States Internal Revenue Code of 1986* or any provision of any other applicable Law (unless such amounts have been withheld pursuant to Section 3.1(b) or Section 3.1(c), as the case may be). Canyon, Trican and the Depositary may sell on the Exchange a number of Trican Shares to which a Canyon Shareholder is entitled as a result of the exercise, surrender, satisfaction or redemption of a Canyon Incentive Award prior to the Effective Time in order to satisfy such deduction and withholding requirements, and no Canyon Shareholder shall have any claim against Canyon, Trican or the Depositary in respect of such transaction(s). To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the Person in respect of which such withholding was made, provided that such deducted and withheld amounts are remitted to the appropriate taxing authority.

ARTICLE 5 DISSENT RIGHTS

5.1 **Dissent Rights**

Registered Canyon Shareholders may exercise Dissent Rights with respect to Canyon Shares held by such holders in connection with the Arrangement pursuant to the procedure set forth in Section 191 of the ABCA, as modified by the Interim Order, provided that Canyon Shareholders who exercise such Dissent Rights and who:

- (a) are ultimately entitled to be paid fair value for their Canyon Shares shall be deemed not to have participated in the transactions in Article 3 (other than Section 3.1(a) hereof) and shall be paid an amount equal to such fair value by Trican (which fair value, for greater certainty, shall be determined as of the close of business on the business day before the Arrangement Resolution was adopted at the Canyon Meeting) and will not be entitled to any other payment or consideration, including any payment that would be payable under the Arrangement had such Canyon Shareholders not exercised their Dissent Rights in respect of such Canyon Shares and such Canyon Shareholders shall be deemed to have transferred their Dissenting Shares to Trican in accordance with Section 3.1(a); or
- (b) are ultimately not entitled, for any reason, to be paid fair value for their Canyon Shares, shall be deemed to have participated in the Arrangement, as of the Effective Time, on the same basis as a non-dissenting holder of Canyon Shares, and shall be entitled to receive only the consideration contemplated in Section 3.1(e) hereof that such Canyon Shareholder would have received pursuant to the Arrangement if such Canyon Shareholder had not exercised Dissent Rights, but further provided that in no case shall Canyon or Trican or any other Person be required to recognize Canyon Shareholders

who exercise Dissent Rights as Canyon Shareholders after the Effective Time, and the names of such Canyon Shareholders who exercise Dissent Rights shall be removed from the registers of Canyon Shares at the Effective Time.

For greater certainty, in addition to any other restrictions in the Interim Order, no person shall be entitled to exercise Dissent Rights with respect to Canyon Shares in respect of which a person has voted or has instructed a proxyholder to vote in favour of the Arrangement Resolution. In addition, a Dissenting Shareholder may only exercise Dissent Rights in respect of all, and not less than all, of its Canyon Shares.

ARTICLE 6 AMENDMENT

6.1 Amendment of this Plan of Arrangement

- (a) Canyon and Trican have the right to amend, modify and/or supplement this Plan of Arrangement at any time and from time to time prior to the Effective Date, provided that any amendment, modification or supplement must be contained in a written document which is: (i) filed with the Court and, if made following Canyon Meeting, approved by the Court; and (ii) communicated to Canyon Shareholders in the manner required by the Court (if so required).

- (d) This Plan of Arrangement may be amended, modified or supplemented following the Effective Time unilaterally by Trican, provided that it concerns a matter that, in the reasonable opinion of Trican, is of an administrative nature required to better give effect to the implementation of this Plan of Arrangement and is not materially adverse to the economic or financial interest of any Canyon Shareholders.
- (e) Notwithstanding the foregoing provisions of this Article 6, no amendment, modification or supplement of this Plan of Arrangement may be made prior to the Effective Time except in accordance with the terms of the Arrangement Agreement.
